

USING THE FAVORITES LIST

Intro

In this tutorial you will learn how to manually put a song into your EasyWorship Favorite Songs Database.

Step 1

A

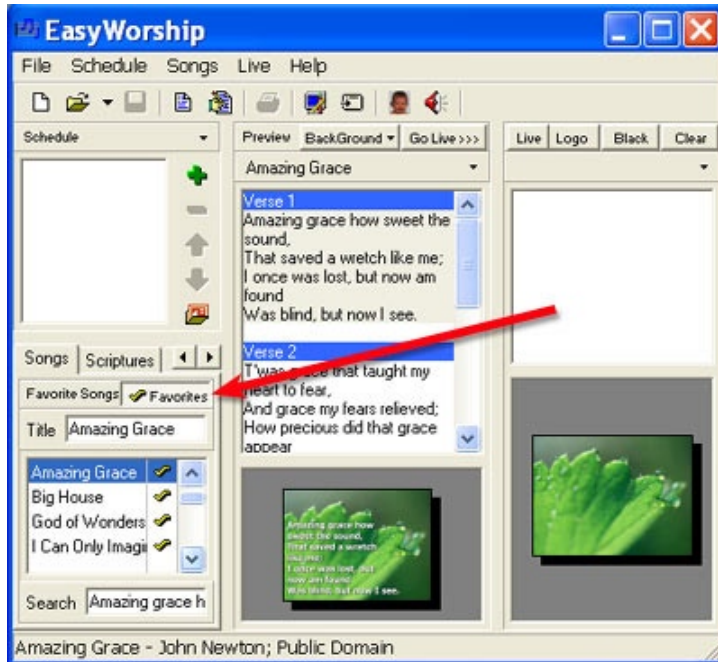

Click in the column beside the song you wish to add to your favorites database.

B

Click on the **Favorites** button to view the song(s) which you checked to be added to the Favorites database.

USING THE FAVORITES LIST

Step 2

After Clicking on the **Favorites button**, you will see the list of songs that you have checked to be in the **Favorites database**.
