

## ENTERING THE REGISTRATION INFORMATION

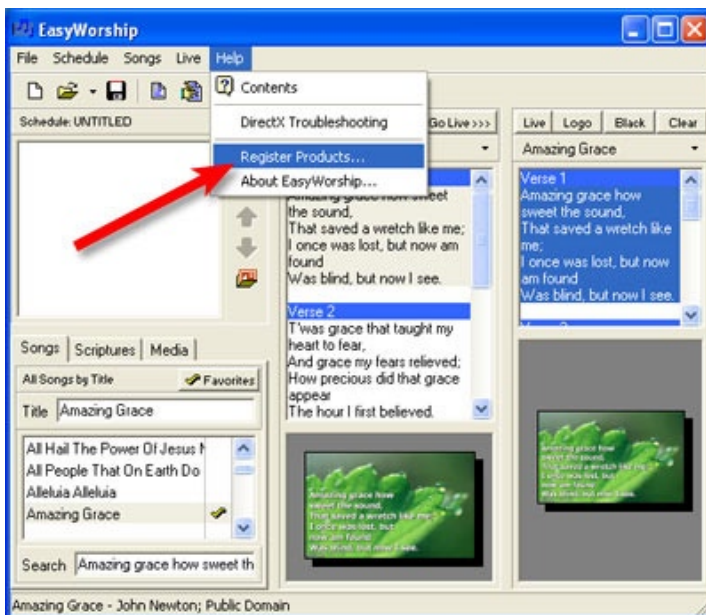

### Intro

This tutorial shows how to enter your EasyWorship registration number. If you have purchased an additional bible version you will need to re-enter the new code.

**Note:** additional bible versions are in EasyWorship and require the correct registration code to unlock them- you do not need to download a new version of EasyWorship.

### Step 1

Using the **Help** drop down menu, click on **Register Products**.

## ENTERING THE REGISTRATION INFORMATION

The screenshot shows the 'About EasyWorship' window with a sidebar containing 'About', 'License', 'Copyright', and 'Register'. The 'Register' button is highlighted. The main content area is titled 'Register: EasyWorship' and features logos for VISA, MasterCard, America Express, and DISCOVER. Below the logos, it states: 'You can register online using a Visa, MasterCard, America Express, or Discover Card.' It provides 'Online Ordering' at <http://www.easyworship.com/store> and 'To Register by Phone' at (888) 876-4004 / (318) 250-1493. A section titled 'Once you have recieved your registration information, enter it below to proceed.' contains three input fields: 'Name: Your name or church name', 'Phone Number: |555|555-5555', and 'Serial Number: 00000-0000-0000-00'. A 'Validate' button is next to the Serial Number field, and a 'Close' button is at the bottom right.

This screenshot is identical to the one above, but with a red arrow pointing to the 'Validate' button next to the Serial Number field.
